

REACH Statement of Compliance

May 23, 2015

Subject: Compliance for Registration, Evaluation, Authorization, and Restriction of Chemicals (REACH) Regulation

Ecliptek Corporation is committed to ensuring compliance to the European Union regulation to govern the Registration, Evaluation, and Authorization of Chemicals (REACH, EC Regulation Number 1907/2006). As a manufacturer of crystal and oscillator products, we recognize our obligations under REACH as a supplier of articles. We have established a dialogue with our supply chain and have engaged in gathering information on properties of chemical substances, pre-registration status, and applicable exemptions for our product offerings.

This document certifies that the Ecliptek part number referenced below does not contain any of the 161 Substances of Very High Concern (SVHC) included on the Candidate List effective 17.Dec.2014 according to article 59 (1,10) of EC Regulation Number 1907/2006 ("REACH") in a concentration above 0.1% weight by weight.
