

1) not included in scope of delivery, 2) Magnet, 3) Active surface data carrier, 4) Read/write head installation, 5) Read/write head, 6) Magnetic north direction, 7) Spacer, 8) Threaded pin

Basic features

Application	Assembly
Principle of operation	Inductive Couplers
Short description	Magnetic holder
Style	block style
Use	for inductive couplers Q40, Base
Version	Magnetic holder

Material

Housing material	POM
Material	POM black

Mechanical data

Dimension	73.25 x 66.5 x 62 mm
Size	40x40

Environmental conditions

Ambient temperature	-25...70 °C
----------------------------	-------------

Remarks

Fits BAM0335
