

### Basic features

|                          |                                       |
|--------------------------|---------------------------------------|
| <b>Scope of delivery</b> | Mounting set incl. accessories (2x)   |
| <b>Use</b>               | for machine light $\varnothing 45$ mm |
| <b>Version</b>           | Installation set                      |

### Material

|                           |                             |
|---------------------------|-----------------------------|
| <b>Housing material</b>   | Aluminum, anodized, natural |
| <b>Surface protection</b> | anodized, natural           |

### Mechanical data

|                  |                   |
|------------------|-------------------|
| <b>Dimension</b> | 34 x 62.3 x 50 mm |
| <b>Mounting</b>  | Screws, clamps    |

### Remarks

Attach the light only at the end pieces which can sustain a load. Fastening the light above the protective glass can result in destruction of the glass tube.
