

Basic features

| | |
|--------------------------|------------------------------------|
| Scope of delivery | Lens |
| Use | for photoelectric fiber optics BFO |
| Version | Add-on lens |

Material

| | |
|---------------------------------|-----------------|
| Housing material | Stainless steel |
| Material sensing surface | Glass |

Remarks

The assembly provides an increase in range.

Mechanical data

| | |
|------------------------|--------------------|
| Dimension | Ø 7 x 10.5 mm |
| Mounting | M4 thread |
| Sensing surface | convex, 1 aperture |
