

Basic features

| | |
|-------------------------------|--|
| Principle of operation | Beam deflector |
| Scope of delivery | Air Blow Screw ISO 4762-M5x30 |
| Use | for cleaning of sensors and reflectors |

Material

| | |
|---------------------------|---------------------|
| Housing material | Aluminium, Anodized |
| Surface protection | Plastic Anodized |

Mechanical data

| | |
|----------------------|-------------|
| Dimension | 190 × 30 mm |
| Mounting part | Clamps |
