

1) Tightening torque

Basic features

Principle of operation	Holding RFID system
Use	Holder for mounting data carriers BIS M-107

Environmental conditions

Ambient temperature	0...70 °C
Storage temperature	-20...85 °C

Material

Material	PPS GF40
-----------------	----------

Mechanical data

Dimension	Ø 30 x 13.7 mm
Mounting part	Threads
Weight	24.00 g

Remarks

The following are included for installation: 2x BIS Z-SP -002 2x Cylinder head screws with Allen head, per ISO 4762-M6X20 -8.8 2x spring washers 6.0/A FST-PHR, formerly DIN 127
